

# BULLETIN 110

Bulletin 110 - Tuesday March 17th.

## Village Newsletter "COMMUNITY CALL"

The next issue of "Community Call" will be coming out in early May and planning has started.

If you have something you would like to see included - an article, a write up of an event, associated group report, photos, comments, adverts etc. - please let me know as soon as you can.

### Village Fair

## Classic Car Display

You have all seen the great "Classic Car" display at the fair in previous years. We are hoping to attract more vehicles this year, so if you know of someone with a classic motor why not let them know about it and encourage them to come along.

You can get details from Malcom Rimington at [malc@greystoke.ltd.uk](mailto:malc@greystoke.ltd.uk).
